# Two Items of Concern

A concern that has been raised during the past few Walks is whether or not husbands/wives be permitted to come and serve their spouse a meal during their Walk. Since all spouses would not be able to do this, the consensus is that during the Walks spouses should only attend the Send-Off, Candlelight and Closing. This would enable pilgrims to not be distracted by the presence of their spouse, or other pilgrims' spouses, and to remain focused on what the weekend is all about ...their "Walk" with Christ.

Another item that has been brought to the attention of the Board is, "gifts and flowers" being brought to pilgrims at the Candlelight. We would ask your cooperation in refraining from doing this, as once again, this is a distraction and unfair to the rest of the pilgrims.

Thank you for your cooperation in these matters.

## To the Emmaus Community,

Thanks to all of the many people who helped cook or serve at the annual Christmas party held at the Madison Correctional Facility last December 22nd.

The REC Community served meals to approximately two hundred residents and staff. Thanks for your kind acts of compassion during this special time of year.

Sincerely,  
**REC Board of Directors**
