## 10 Years and Counting...

On Friday evening, December 7 the DaySpring Emmaus Community will officially celebrate ten glorious years of walking in the footsteps of Jesus Christ. The program will include a video produced especially for the event, featuring short stories about interesting happenings, interviews with some of those who made it all happen and hosted by DaySpring's first Board President, Bill Croft.

All the former Lay Directors will be on hand to share old memories from your DaySpring Walk, regardless of which one it was. Lew Reyman, Peggy Waggoner and the music team from Walk #2 will sing and lead the community in singing those songs of praise that will bring back fond memories of those weekends walking to Emmaus with the Lord.

You'll have an opportunity to purchase lapel pins designed especially for our

community, which would make a wonderful tradition as gifts from sponsors to their pilgrims.

The evening will conclude with ice cream and Birthday cake in the fellowship hall. It all starts at 7:30 p.m.; so, don't be late.
