From the Lay Director Harrison County REC #4 – Gary Loy

What an honor it was when Ralph Wiseman called, asking for the REC Board if I would lead this R.E.C.. For three years I have been assembling a list of team members that God would point out, yes even the new members are just outstanding. Truly a gift from God. I thank the R.E.C. Board for the support that has made the Lay Directors' job as easy as it has become and I send encouragement to others to be willing to accept a future call from God to serve the R.E.C..

At the Men's Walk #69 Candlelight I was trying to determine how many people were there and how it was so neat that so many, hundreds, yes hundreds, would come out to honor those men who were Pilgrims on Walk #69. Wow! All these people sharing the love of Jesus with men who already know His Love. What a awesome experience it is. I am sure you all remember your Candlelight.

At the same time I was saddened when I think of the young men from the R.E.C.s who have said to so many of us, that as they grew up no one said they loved them, much less God. So many of these men were told how worthless they were by their own fathers. Remember in most situations the only difference between these young men and us, is we just didn't get caught.

I couldn't help but think of the biggest REC Candlelight. The numbers were 129 to witness the love Jesus has inspired in them, led them to share. If somehow we could get hundreds, yes hundreds of the Emmaus Community to take time out for the Candlelight. Wow! Can you even imagine the impact hundreds of loving people could bring to these young men. What a difference in someone's life you could make.

Come out and be a part of the record numbers on October 18th at Old Capitol UMC in Corydon. Bring others and let them witness the tears that Jesus brings to these young men from your loving and giving hearts. God bless you by a conviction to come.
