FROM OUR PRESIDENT

Dear DaySpring Emmaus Community,

By the time you receive this newsletter final preparations will be finalized to assure a great "Emmaus Walk" experience for the pilgrims of walk #76 & #77. It appears that not only will both walks be full, but also walk #78, lead in June by Kristy Helm at Wooded Glen, is quickly filling up. If you are planning to sponsor a pilgrim, please get the application turned in as soon as possible.

I get so excited thinking about the special time our pilgrims will experience, but it is more than that. Every member of the team will be also blessed, but it is more than that. Everyone who will participate in send off, candlelight, the closing, serving a meal, praying at 2:00 a.m., or being a sponsor will also be blessed, but it is more than that. It is because it is not about us; it is all about Jesus and our relationship to Him.

As the disciples said on that road to Emmaus, "Did not our hearts burn within us?" Let us all re-ignite that flame and participate in every way we can for the upcoming walks.

DeColores,

Bill Snyder, President
DaySpring Emmaus

CALLING ALL WOODWORKERS!

Do you have a talent for woodworking? If so, we have a servant opportunity for you. Our community needs a woodworker to make the "prayer" crosses that team members work a walk.

If the Lord has prepared you for such a task as this, please contact Bill Snyder at (812) 295-9311 or by e-mail at: Wrssks1964@insightbb.com

SOMETHING TO THINK ABOUT . . .

MY FRIEND

My friend, I stand in judgment now and feel that you are to blame somehow.
On earth I walked with you by day and never did you point the way.
You knew the Lord in truth and glory but never did you tell the story.
My knowledge then was very dim, you could have led me safe to Him.
Though we lived together here on earth you never told me of the second birth.
And now I stand this day condemned because you failed to mention Him.

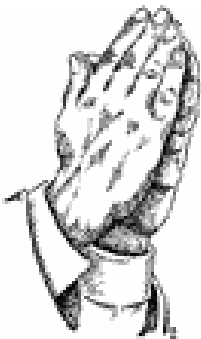

You taught me many things that's true; I called you friend and trusted you.
But I learned now that it's too late and you could have kept me from this fate.
We walked by day and talked by night and yet you showed me not the light.
You let me live and love and die; you knew I'd never live on high.
Yes, I called you friend in life and trusted you through joy and strife.
And yet on coming to this dreadful end I cannot now call you my friend.
