

THE LIGHT

The official publication of the DaySpring Emmaus Community of Southern Indiana

July 2006 † Summer Issue

Dear DaySpring Emmaus Community,

Serving on the DaySpring board has been one of the spiritual highlights of my life. My pilgrim walk was incredible, but in the time I have spent on the board, God has grown me in ways I never expected and blessed my socks off when I least expected it. He is so amazing!!!! These three years have passed quickly and my term will end in July.

When I was first asked to consider serving on the board I was hesitant, after all, who am I to help lead such a wonderful Christ filled organization as the DaySpring Emmaus Community. I am just a sinner saved by grace and not worthy or qualified for such a position, but as we all know, God does not call the equipped, He equips the called. He certainly equipped me with the support of wonderful people on the board as well as in the community.

The community has been so gracious to me and my family and we feel the love of Christ any time we are around members of the community. When I see a DaySpring Community member, even from a distance, my heart is lifted because we share a special bond and I cannot help but smile as I think about the love we share for one another through our Father.

My term is nearing the end as President but as always God has provided some terrific board members to continue the tradition of DaySpring Emmaus. The future of the Emmaus Community is very bright. Our walks are once again full about three months in advance, the candlelight services are packed and the Holy Spirit is always there. The board has been blessed with energetic talented new members each year who have a deep love for Jesus Christ. Our cup does truly run over with His grace.

Serving on the board has been a wonderful experience for me and I thank God for giving me this opportunity to serve Him. He has blessed me, changed me and humbled me and He has done the same for the community. Let us always remember that all the great things about the community are God given gifts not man made events. I want to close by sharing with you one of my favorite scriptures from James.

In James 4:10 it says "Humble yourself before the Lord, and He will lift you up." Humbling ourselves means recognizing that our worth comes from God alone. To be humble involves working with His power according to His guidance, not with our own independent effort. Although we do not deserve God's favor, He reaches out to us in love and gives us worth and dignity despite our human shortcomings. My prayer for this community is that each of us, especially the leadership, will continue to humble ourselves before God and realize that without Him, we can do nothing. May the Grace and Peace of our Lord Jesus Christ be with you always.

In Christian Love,

John Hodges, President

CHRYSALIS

"Chrysalis" is the name chosen for the youth and young adult version of The Walk to Emmaus, its parent movement, because it symbolizes the spiritual growth that is essential between adolescence and adulthood. That growth is as crucial for youth as the cocoon is for the caterpillar. It is that precious time of nurturing a person's faith for discipleship.

Chrysalis "Flights" (for 10th through 12th graders) and "Journeys" (for young adults, ages 19-24) are three-day events. This three-day spiritual renewal time provides an opportunity for you to learn more about faith, to experience Christian love and support, and to make new faith commitments. The point is to inspire, challenge and equip you for a closer friendship with Christ and for Christian action at home, church, school, and community.

Chrysalis lifts up a way for you to enjoy Christ's friendship and love and to be Christ's friend and partner in the world. The three days focus on God's grace, your experience with Christ as friend, what it means to be the body of Christ, and giving love to a needy world.
