

# THE LIGHT

The official publication of the DaySpring Emmaus Community of Southern Indiana

November 2006 † Winter Issue

Dear Community,

As we enter this season of thanksgiving, please join me in taking time to reflect on the vast array of blessings that we enjoy in this wonderful country. Remember that we are the objects of God's grace; let Him be the object of our gratitude. Without the freedoms that we sometimes take for granted, experiences like the Walk to Emmaus could not be a reality. The recent Walks #84 & #85 added ninety-three members to our community and they are energized with a new zeal for serving our Lord. No matter how hard Satan may try, he will not be able to stop them from drawing others closer to Jesus Christ.

We all need to continue attending worship services regularly and striving to be the leaders that God intends for us to be. We need to remember that being a leader means being a servant. As Christ said in Matthew 20:28, "he came to serve, not to be served".

If you want to serve in the DaySpring community, you need to have a current service sheet on file. For those of you new to the community, you should have received one in your walk packet. Be sure to fill it out and get it turned in right away. For those of you that have been in the community for a while, you may want to download a service sheet from our website to be certain that we have up-to-date information. The future Lay Directors will be searching through these sheets and praying for the Lord's guidance as they put together their teams for the 2007 walks.

While working on a team is a blessing, remember that there are many ways to serve in our community rather than working on a team. We are always in need of help with setting up & tearing down for the walks and you don't need a special invitation, just show up. You might want to make pillow or table agape, donate snack agape, write encouraging letters to the Pilgrims, serve a meal, sponsor a Pilgrim, or take part in the 72-hour prayer vigil. There are so many ways to participate in our community and all it takes is a willing heart. Remember that God measures our service not by our ability, but by our willingness.

For 2007 the board has decided to change the Dedication ceremonies to be held on Sunday afternoons. We hope that this will allow them to be less rushed and hopefully a more reverent, prayer filled time. As always, the community is encouraged to attend these ceremonies to pray for the team members and enjoy a time of worship and praise.

May you enjoy the richest of blessings during the upcoming holidays and may you share them with those that you love.

DeColores,

Linda Rudolph, President  
DaySpring Emmaus Community of Southern Indiana
