The official publication of the DaySpring Emmaus Community of Southern Indiana

June 2007 † Summer Issue

## PRESIDENTS LETTER

I find it hard to believe, but somehow my year as Board President of the DaySpring Emmaus community is quickly coming to an end. This will be my last opportunity to write you & I want to let you know how extremely grateful I am for being allowed to serve in this manner.

There have been several challenges & changes for the Board this year & we have had the opportunity to see how God can work when our meetings are covered in prayer. Probably our biggest decision has been to hold both spring walks as well as the Women's summer walk at Wooded Glen. Candlelights for the Wooded Glen walks will be held at the Restoration Christian Church in Sellersburg. This will give men the chance to go on a walk where the environment is more convenient & safe as well as make it easier for a large portion of our community to serve & attend the functions of these walks. For those who prefer to be closer to nature & enjoy the camaraderie of the open dorms, the fall walks will still take place at the forestry.

Another decision we made is regarding the distribution of the DaySpring newsletter. In the past everyone that went on a walk received a paper copy in the mail. However, the mailing & printing expenses have risen to over \$5,000 per year. With increased postage costs & our growing community, we realized that the expenses would continue to rise. Therefore, the decision has been made to make the newsletter available to the community on line at "no cost" simply by logging onto our website. However, any one that prefers to continue having a paper copy mailed to them may purchase a subscription for a minimal cost of \$10 per year. A subscription form can be found on the pull out page of this newsletter. New pilgrims will automatically receive a paper copy in the mail until the November following their respective walks. At that time, they too will need to subscribe or access it online.

I know my words cannot fully express the important role our community members' fill in the lives of individuals & churches; I hope you understand this from your own experiences. In light of this tremendous impact, please continue to be diligent in your prayers on behalf of our community. In closing, let me express my sincere gratitude to each of you that have been such an encouragement to me over the past few months. Please do the same for Adam Palmer & the new board members that will be supporting him.

May our Lord bless each of you as you continue to serve Him.

DeColores,

Linda Rudolph, President  
DaySpring Emmaus Community of Southern Indiana

## AGAPE

Do you remember how you were blessed by the agape you received on your Walk to Emmaus? Let's bless the women on Walk #88 with an endless flow of agape. All kinds are needed; snack agape, pillow agape (50 pc. similar items), or table agape (100 pc. similar items).

DeColores!

Did you know that DaySpring Emmaus has a list server? You're asking: "What is a list server"? A list server is an email list that allows members of the list to receive and send emails to other members on the list without having to remember all the different emails. You send your message to one account and all of the members receive your message.

Now you are asking "Why?" This list server allows us to send DaySpring Community Announcements to the members of our community. An example would be important dates to remember. It can also be used to send prayer requests or other messages that may concern our Community in Christ.

To be added to the DaySpring Community list server go to [www.DaySpringEmmaus.org](http://www.DaySpringEmmaus.org) and follow the link on the menu called "Member List Server" or click on the link that appears on the front page "DaySpring List Server." Then enter your email address and you are done.

A direct link to this list server is as follows:
