

## President's Letter

I am overjoyed as I sit here to write this letter and think of how blessed we are to live in such a great country where we can openly worship our amazing God. Blessed that we can have such a wonderful tool as the Walk to Emmaus in order to grow our relationship with our Lord and Savior and be a servant for Him. And blessed to be a part of such a great Emmaus community.

I know it was a rocky start to our fall walks, and sometimes we do not know why things happen the way they do, but we can be certain that God does and He knows the greater purpose of how things turn out. I want to personally thank each member of the DaySpring Community for your understanding and your flexibility during the time the wind storm came through and our Walks were interrupted. I want to say thanks to the wonderful Board as they acted so prayerfully and diligently to do the best possible job during that trying week. I want to thank each one of you for your commitment to pray and your commitment to act as quickly as many of you did to help in getting our men out of the woods safely on their closing day. And thank you for your commitment to being flexible and having a patient spirit as our women's walk had to be cancelled but then was able to be re-scheduled at a later date. Again, I do not know why things happen the way they do but I do know that the pilgrims and team that were supposed to be on the women's walk were the ones God had picked out.

I am so thankful, especially during this wonderful time of the thanksgiving season, to see all God has offered and blessed us with. I am honored and privileged to welcome our newest members of our community from the fall walks, #94 and #95. It is apparent from the "God filled" stories I have heard from the team members and pilgrims, as well as the testimonies from the closing that once again God was moving in the "Woods" of southern Indiana.

I am so excited and blessed to be a part of such a wonderful Community that has taken the calling to "feed His sheep." I thank God for each of your commitments to serve each other, pray for each other, and love each other in all that you do. As we each strive to be the leaders that He has called us to be and that each of these walks can teach us to be, I pray that we all remember that none of it would be possible without God's commitment to us. We are nothing without His guidance and grace.

In closing, I want to let you know that we still have openings for the spring walks. These walks will take place at the Forestry during the last part of April and the first of May. I know it may seem early, but please be in prayer over these walks, the pilgrims that are supposed to go on these walks, and the team members that will be asked. Please be in prayer for the upcoming Lay Directors that will be leading these walks, John Hodges and Debbie Mishler. Thanks so much for your support and your prayers as we serve this DaySpring Emmaus Community to the best of our abilities through God's guidance.

God Bless and De Colores,  
Tonya Webb, President  
DaySpring Emmaus Community of Southern Indiana
